

uvex spitfire®

**No Distractions. No Distortions. No Excuses.
No wonder it's from uvex.**

Introducing uvex spitfire, the frameless protective eyewear with total vision.

uvex spitfire®, with its patented frameless lens design, excellent peripheral wrap and exceptional optical clarity, ensures superior and unobstructed vision that is critical to any worker's safety.

And, we didn't stop there. **uvex spitfire** is lightweight and has adjustable spatulite temples that deliver extra comfort all day long.

Now add to that a sporty looking, contemporary style and you'll see why it's

soon to make a spectacle of itself. We designed it that way... with a molded-in nose bridge and wrap-around side protection, **uvex spitfire** looks more like sports eyewear than a safety spectacle.

uvex spitfire comes in several stylish frame colors and a variety of lens tint options making it versatile for most work applications.

Workers will clearly see the difference.

uvex spitfire

No Distractions. No Distortions.
No Excuses...Just total vision.

uvex®
Beats Everything in Sight
