

The Uvex Ambient™ provides over-the-glass coverage, offering your workers full protection while wearing their own prescription eyewear. Available with a range of comfort features and in two sizes, the Uvex Ambient OTG offers all-day coverage for a variety of workers and a wide range of prescription eyewear styles. This high performance model can improve your workers' productivity as well as lower your cost-of-ownership with Uvex's renowned tints and lens replacement system. The Uvex Ambient OTG is lightweight, comfortable and a stylish alternative to prescription safety eyewear.

Uvex Ambient™ OVER-THE-GLASS (OTG) EYEWEAR

Premier Performance

- Exceptional peripheral vision and coverage in a lightweight, wraparound uni-lens design.
- Available with Dura-streme™ Technology (dual Anti-Fog and Anti-Scratch) for 3x* longer lens life, Uvextreme® Anti-Fog or Ultra-dura® Anti-Scratch coatings.
- Available in Clear, Amber, Standard Gray and Shade 3.0 and 5.0 Welding tints.
- Highest available impact protection certified to ANSI Z87.1-2003 (High Impact) and CSA Z94.3. Select styles including Clear-Medium, Clear-Large, Amber-Large and Standard Gray-Large pass Military V₀ Ballistic Test for Impact (7x greater than ANSI).

Superior Comfort & Fit

- Soft, flexible nasal fingers conform to a variety of facial profiles and minimize slippage.
- Adjustable and bendable, wire-core temples offer complete flexibility with secure, customized fit.
- Offered in two lens sizes (medium and large) to fit a variety of users and prescription eyewear styles. The medium version has a 13% smaller lens than the larger version.

Exceptional Total-Cost-of-Ownership (TCO) Value

- Economical and easy lens replacement allows multiple tints and extends the life of the eyewear.
- Lifetime frame guarantee.

Ratcheting temples feature 3-position lens inclination adjustment for customized fit.

Eyewear designed for improved productivity with Uvex regular and welding lens tints.

Secure, highly-customized fit with unique, bendable wire-core temples.

Premier all-day comfort with quality cushioning for nose piece.

Uvex Ambient™

OVER-THE-GLASS (OTG) EYEWEAR

Clear — ideal for most indoor work applications

Standard Gray — minimizes outdoor sunlight and glare

Amber — ideal for low-light applications where enhanced contrast is needed

Shade 3.0 — Infra-dura® welding shade for torch brazing operations

Shade 5.0 — Infra-dura® welding shade for cutting operations

Packaging information (Eyewear): Ind. box, 10/stocker, 200/case

**Dura-streme™ lenses combine our two best lens coatings on one lens — Ultra-dura® anti-scratch coating on the exterior and Uvextreme® anti-fog on the interior — to provide up to 3x* more lens life. Uvextreme anti-fog coating performs under the most extreme conditions and will not wear off after repeated cleanings. It is permanently bonded to the lens and retains anti-scratch, anti-static and UV protection properties. Ultra-dura hard coat is permanently bonded to the lens and is scratch-resistant and chemical-resistant.

*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.
