

The Uvex 870 Series

Nothing Protects Like Uvex.®

The **Uvex 870 Series** Klip Lifts for safety eyewear offer fast and convenient vision enhancement for a wide range of industries. Whether you work in steelmaking, welding and cutting facilities, foundries or glassmaking operations, you will appreciate the convenience of the flip-up feature. These lenses can be quickly flipped down for observing a melt or a weld, and flipped back up again when not needed. Movement through a full 180° arc is possible, allowing the filter lenses to be raised or moved completely out of your line of vision.

Available lens tints:

Shades 6 and 8
Cobalt Blue
Full or Half Front

6C Didymium
Full Front

Shades 4, 5, 6, 8
Welding
Full or Half Front

Uvex Klip Lifts for Safety Eyewear

- Uvex 870 Series Klip Lifts quickly and easily convert existing plastic safety eyewear into furnace or laboratory viewing safety eyewear
- Integral spring clip holds the Uvex 870 Series securely – without screws, fasteners or tools
- Uvex 870 Series Klip Lifts fit safety eyewear with 48mm S7 shaped plastic frames
- Designed specifically to fit the Uvex 870 Series Klip Lifts, the S4150 eyewear features a smoke frame with clear polycarbonate lenses and clear sideshields
