

# Uvex ExtremePro™

## High-Performance Protection

- With its rugged design, Uvex ExtremePro is ideal for foundries, chemical plants, metalworking, machining, pulp and paper, shipbuilding or oil and gas industries.
- MoistureWick™ brow accessory absorbs and wicks away perspiration to keep lenses clear in hot environments.
- Available with NEW Supra-Dura™ advanced anti-scratch coating for lenses that resist scratching 5x longer\* than other coatings on the market; Uvextreme® Plus, our longest lasting anti-fog coating; and Dura-streme® dual anti-fog/anti-scratch coating.
- Meets ANSI Z87.1-2003 (High Impact) standard.
- Certified to the requirements of CSA Z94.3 standard.

## Superior Comfort & Fit

- GripClick™ frame width adjustment ensures a comfortable fit for all face sizes.
- FlexFit™ bendable temples and nosepiece for a more comfortable, customized fit.
- Ratcheting temples make it easy to adjust the lens angle for a close fit.

## Exceptional Total-Cost-of-Ownership Value

- Economical and easy lens replacement allows for multiple tints and long-term use of the eyewear.
- Replaceable nosepiece and brow accessory extend the life of the eyewear.
- High-performance coatings provide longer lens life.
- Lifetime frame guarantee.

FlexFit wire core temples bend and flex for a customizable, full-comfort fit.

Flexible and replaceable, FlexFit nosepiece conforms to virtually any nasal profile and provides a contoured, non-slip fit.

Replaceable MoistureWick brow accessory wicks away moisture to keep lenses clear in high-humidity and heat. Uvex ExtremePro can be worn without the wicking bar when heat and humidity are not present.

GripClick frame adjustment lever allows wearer to customize the width of the frame to provide just the right amount of tension for a snug, yet comfortable fit.

\*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

SAFETY EYEWEAR

When conditions are at their worst, Uvex ExtremePro safety eyewear is at its best. Built to last longer and perform better in rugged environments that demand site-specific eye protection, Uvex ExtremePro can stand up to the toughest fogging, scratching and sweating — even in intense heat and humidity.

Uvex ExtremePro is part of the Specifix™ Collection:  
Different work environments. Different risks. Specific solutions.

Ind. Polybag, 10/Bag, 200/Master Case  
Master Case Weight: 9 pounds  
Master Case Dimensions: 18" x 13 1/4" x 10"

Uvextreme® Plus anti-fog coating provides long-lasting protection from fogging, performs under the most extreme conditions and will not wear off after repeated cleanings. It is permanently bonded to the lens and retains anti-scratch, anti-static and UV protection properties. Supra-Dura™ high-performance anti-scratch coating is permanently bonded to the lens and is ultra scratch-resistant to provide up to 5x\* more lens life compared to other lens coatings on the market. Dura-streme® lenses combine Ultra-dura anti-scratch coating on the exterior and Uvextreme AF coating on the interior to provide up to 3x more lens life than standard anti-fog coated lenses.

\*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

 Made in USA with US and imported components.
