

Engineered for comfort, protection and style, Genesis is the number one selling premium eyewear in the market, delivering an incredible range of superior product benefits. Built with MMT— Multi-Material Technology® and a high level of adjustability, Genesis provides workers with extraordinary all-day comfort and raises the bar on compliance.

SAFETY EYEWEAR

Genesis®

Uvex™

by Honeywell

Genesis®

High Performance Protection

- Wrap-around 9-base uni-lens style for uncompromised peripheral vision and superior coverage.
- Available with Dura-streme™ dual coating technology which combines our two best lens coatings — Uvextreme® anti-fog on the interior and Ultra-dura® anti-scratch on the exterior — for 3x longer lens life.*
- Offers highest available impact protection. Meets ANSI Z87.1-2003 (High Impact) and military V₀ ballistic impact test (protection against impact energies 7x higher than ANSI requirements).
- Certified to meet CSA Z94.3 standards.
- Available in a wide range of lens tints to address the needs of virtually any work environment.

Superior Comfort & Fit

- Soft elastomer browguard diffuses and deflects impact while providing comfort at all contact points.
- Soft flexible fingers on the nose piece adjust and conform to almost any nasal profile to reduce slippage.
- Adjustable temple length and lens inclination for a customizable fit.

Product Platform Advantages & Value

- Economical and easy lens replacement system allows for multiple lens tints and extends the life of the eyewear.
- Multiple models in a family offers standardization while offering workers choice.
- Lifetime frame guarantee.

Three position ratchet lens inclination adjusts to complete the fitting system and provides unsurpassed extended wear comfort.

Soft, flexible nose fingers conform to fit a variety of nasal profiles.

A unique ventilation channel, between the frame and lens, vents the eye socket area to deliver an outstanding level of moisture and fog control.

Adjustable temple length enables wearers to custom fit the eyewear to their facial profile.

*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.

Genesis®

All Uvex® lenses offer 99.9% ultra-violet protection.

SAFETY EYEWEAR

Clear — Ideal for most indoor work applications

Espresso — Minimizes strong outdoor sunlight and glare

Amber — For low-light applications where enhanced contrast is needed

SCT-Vermilion — For indoor applications where contrast is needed, such as inspection

SCT-Blue — For applications with high levels of sodium vapor lighting

Gold Mirror — Deflects sunlight and glare

SCT-Reflect 50 — Light mirror coating for varying light conditions

SCT-Gray — Minimizes outdoor glare and offers true color recognition

SCT-Low IR — When peripheral IR protection is required

Infra-dura® Welding — Available in shades 2.0, 3.0 and 5.0 for welding, brazing and cutting

50% Gray — Minimizes outdoor sunlight and glare

Dark Gray — Minimizes eye fatigue due to outdoor sunlight and glare

 Master Case Weight: 11 pounds
 Master Case Dimensions: 18" x 13 1/4" x 10"

Uvextreme® anti-fog coating performs under the most extreme conditions and will not wear off after repeated cleanings. It is permanently bonded to the lens and retains anti-scratch, anti-static and UV protection properties. Ultra-dura® hard coat is permanently bonded to the lens and is scratch-resistant and chemical-resistant. Uvex Dura-streme™ lenses combine our two best lens coatings on one lens: Ultra-dura on the exterior and Uvextreme on the interior to provide up to 3x* more lens life.

*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.
