

The Uvex Horizon is a classic flip-up style that offers versatility for a variety of environments. This flip-up is perfect for welders and industrial workers who require a shaded lens while working with high intensity light sources and a traditional clear impact-resistant polycarbonate lens when their task is complete. The Uvex Horizon is lightweight, allowing greater comfort for longer wearing time and is suitable for Rx lenses.

Kick It Up with a Flip-Up! The Uvex Horizon.

- Classic flip-up style offers versatility for workers in unique environments
- Sideshields for extra protection against flying particles
- Flip-up lenses are offered in Infra-dura® Welding Shade 3.0, Shade 5.0 or SCT-Cobalt Blue
- Impact-resistant polycarbonate lenses block 99.9% of harmful UVA and UVB radiation
- Lenses have a scratch-resistant hard coat for longer life
- Meets ANSI Z87+ (High Impact) standards

Shade 3.0 — Flip-up over Clear

Shade 5.0 — Flip-up over Clear

Cobalt Blue — Flip-up over Clear

All Uvex® lenses offer 99.9% ultra-violet protection.
